About Ontex

Ontex is a leading manufacturer of branded and retailer brand hygienic disposable products across Europe, the Middle East and Africa. The Company primarily sells its products to retailers, helping them to establish or enhance their own brands. While historically Western Europe has been the Company's largest geographic market in terms of sales, the Company also has a growing presence in emerging markets where it offers both retailer brands and its own brands, with the mix varying by product category and geography. The Company believes that it operates a strong and diversified business across multiple geographies and serves a blue chip customer base with high quality products in core, resilient and non-discretionary categories.
